On-site Summer Camps and Programming

May 28, 2020

Dear Parents:

This letter is to inform you that we will not be providing any on-site summer camps and programming for the summer of 2020 due to COVID-19. We apologize for any inconvenience this may cause. This decision was made after careful consideration, as it is necessary for the health and safety of our students and staff. This time will be taken to prepare to resume our on-site scheduled programming in the 2020 – 2021 school year.

Virtual Programming for summer 2020

During this time we encourage all members to participate in our full schedule of Virtual Programming via our Facebook page and remote activities via Google Meet. There are no fees associated with this program and access information will be provided to all participants by program staff.

Fall 2020

We are planning to operate after school programs at the beginning of the 2020 – 2021 school year. We will continue to monitor and take direction from local, state, and federal officials regarding COVID-19 and will communicate our decisions as soon as possible.

We care about our Club families, so please continue to follow [CDC and local health recommendations](#) to prevent possible exposure or spread of COVID-19.

Please make sure that you stay connected to your program Dojo and emails for any updates.

Sincerely,

Mark A. Terry
Chief Executive Officer
